VICTROLA PARLORS

THE UNION MISSION

Weeks Building, 24 South Washington Street.

We are very grateful indeed to still report a glorious victory in our mission work, and we are so glad to see so many good people filling our hall at almost every service. We are proud of the good citizens who have watched and known of this work for the past three years, and stood so faithfully by it with their financial assistance and other influence. On last Saturday night and Sunday night we witnessed a glorious victory in the salvation and sanctification of six precious souls, all of whom were adults. From the beginning of this work we have preached, practiced and stood for the old-time power of the gospel and the demonstration of the same with pure, clean, straight, reformed lives. Many times the power of the enemy has risen up against us, but has always been overcome by the power of God. We feel encouraged as our

citizens with grateful hearts lift their hats and open their pocketbooks in faith to our work, in the reformation of some of our city, when all other visible efforts and means had failed. We still promise by your help, and the power and grace of God, to still be faithful and do all we can. I wish the good people would help me a little for the personal benefit of Josy, who was so miraculously reformed through this work. She has a proposition to open a business of self-support, which would be so much better for her, as she hasn't any permanent home. She needs about \$25 to open her business. All who will help her can find out the particulars by calling telephone number 991. This is a very needy cause, and worthy of your efforts. Let's hear from you at once.

Your servant in the name of Jesus.

THE MISSION COUNCIL; BROADWAY M. E. CHURCH

Mexican Work.
At Holding Institute, Laredo, Tex., 307 Mexican children were under instruction. Fifteen teachers were engaged; five of these were Mexicans who were graduates of the institution in former years. All of the faculty are Methodists save two.
At Los Angeles, Cal., the Homer Tolbraman clinic and settlement reached more than 3,000 Mexicans through the clinic. Fifty were enrolled in the night schools and 85 in the Sunday school. As a result of this two years' work, a Mexican church has been organized, with a regularly appointed pastor. The cost of this Mexican work last year was \$13,437.31.

Japanese.
Mary Helm Hall, Alameda, Cal., with 50 Japanese children in attendance; the night school, with 51 adults matriculated; and a kindergarten with 25 in attendance—this covers

the educational work for 1915. There are 110 in the Sunday school, 51 in the woman's Bible study class, 12 in the men's Bible study class, making a total of 173 studying God's word every week under instruction, in addition to four weekly prayer meetings and the regular church services on the Sabbath.

At Oakland 36 have been enrolled in the Sunday school and 23 in the kindergarten. Only one of these kindergartners come from a Christian home, but the children came from ten blocks for the advantage of the kindergarten instruction. The pastor of the Oakland church also serves a Japanese congregation at Dinube. A third Japanese pastor, Rev. Keiichi Inai, has charge of Walnut Grove circuit which includes two appointments. At Isleton, where the work is conducted every Saturday, the services are known as the Bible school.

There were 13 baptisms among the Japanese on the Pacific coast during the year.

SCRIPTURE

1 Peter 3:1-8.

Likewise, ye wives, be in subjection to your own husbands; that if any obey not the word, they also may without the word be won by the conversation of the wives;

While they behold your chaste conversation coupled with fear. Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold, or of putting on of apparel;

But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price.

For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands:

Even as Sara obeyed Abraham, calling him lord; whose daughters ye are, as long as ye do well, and are not afraid with any amazement. Likewise, ye husbands, dwell with them according to knowledge, giving honor unto the wife, as unto the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered.

Finally be ye all of one mind, having compassion one of another, love as brethren, be pitiful, be courteous.
